Dear Ms. Brown:

My firm represents National Rail Passenger Corporation (Amtrak) in connection with the above-referenced matter. Enclosed for filing is Amtrak's Corrected Certification of Compliance with December 15, 2001 Decision. The filing includes an original and 10 copies of all documents.

The Decision with which Amtrak was certifying compliance required Amtrak to serve its previous filings in this matter on the Secretary of Transportation and the Mayor of the District of Columbia. The correction is necessary because the original filing mistakenly stated that service was made only on the Secretary of Transportation. In fact, service was made on both the Secretary of Transportation and the Mayor of the District of Columbia and the corrected filing reflects this fact.

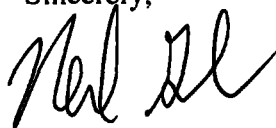

Please stamp one copy of this letter to indicate that all documents have been received and filed, and please return the stamped copy with our messenger for our files. Thank you for your assistance in this matter.
